**Subject:** Re: U.S. EPA notification: La Posta Band of Mission Indians' application to EPA for water quality standards

Hi Licia,

Nice to e-meet you and yes, this is the correct email for these notifications. It's also great to include the WB-OPP-Tribal-Liaison@waterboards.ca.gov email to make sure we are tracking this communication appropriately.

Thanks in advance for sending additional information!

**EXTERNAL:**

Hi Adriana – I'm confirming your email address to forward some additional information for a Public Notice about the La Posta tribe applying for management of their Water Quality Standards. We received a note that Gita has retired and are looking for the appropriate contact info. Thank you!
